

Triac BT Hot Air Hand Tool Plastic Fabrication Kit

Plastic welding is made easy with this new version of the most popular Leister hand tool, the Triac BT. The plastic fabrication kit contains each of the critical items necessary for the plastic fabricator, all stored in a convenient tool box.

Benefits

- Light and easy to handle
- Ergonomic handle for welding without strain
- Electronically protected heating element
- Integrated precision 5 mm nozzle
- Built-in start up protection in case of power interruption
- Plastic Fabrication kit includes a 5.7mm speed welding nozzle, a tacking nozzle, a spare heating element and a tool box
- For indoor use only

Technical Data – Triac BT

Voltage	V~	120
Power consumption	W	1550
Temperature	°C	20 - 600 steplessly controlled
Air flow	l / min.	max. 230
Noise level	LpA (dB)	67
Size	mm	370 x 90, handle ø 56
Weight	kg	1
Approval mark:		UL & QPS
