

SOLANO AT Hand Tool

The SOLANO AT is lighter, quieter and more durable than any other Leister hot-air hand tool. Ideal for continuous use on a production line for heating, forming, cable manufacturing, or detailed leatherwork and hand welding applications. Discover its unbeatable advantages – SOLANO AT.

- Long-lasting: thanks to the brushless motor and sturdy Leister heating element
- Controlled: consistent performance due to the intelligent temperature controller
- Light and quiet: weighs 750 g and runs smoothly at <65dB for efficient and effortless operation
- Economical : saves up to 40% energy in Eco mode
- Eco mode: automatically reduces power when tool is not in use and resets when work resumes
- Safe: due to its multi-level system to protect against overheating
- Simple: due to its intuitive operation
- Versatile: suitable for numerous applications in various industries
